Exciting News: Change of Name of Department

In line with our vision to modernize our administrative departments, I am pleased to announce that our Business Support and Facilities Department will be renamed as Sustainability Advancement and Integrated Facilities (SAIF). This department is led by my esteemed colleague, Mr. Mohammed Abdul Hai.

Other changes this year include:

- VC for AI and Operational Excellence, Dr [Hamad Odhabi](#), (formerly known as VC for Administrative and Financial Affairs)
- Talent Empowerment and Growth Department (formerly known as the Human Resources Department) led by my esteemed colleague Ms Allison Hope Hamilton MHRM, SHRM-SCP.

We believe these changes will enhance our efficiency and commitment to sustainability. Thank you for your continued support as we embark on this exciting journey!
