Celebrating Emirati Women's Day at ADU Al Ain Campus

Today, at **Abu Dhabi University** Al-Ain Campus, we proudly celebrated Emirati Women's Day under the theme "Women Inspiring Future Generations."

The event opened with a welcome and featured an inspirational talk by H.E. Maryam Al Shamsi on "The leading role of Emirati women in shaping the nation's future."

A thought-provoking panel discussion followed, moderated by our student Ms. Khawla Alkaabi, with distinguished speakers, H.E. Maryam Al Shamsi, **Dr. Asma Khethail**, Ms. Noura Al Rashedi, and Ms. Falwah Al Meri

Discussions focused on women's achievements in education and leadership, their role in UAE Vision 2071, balancing identity with global openness, and empowering Emirati women in future sectors such as AI, technology, and entrepreneurship.

The day concluded with a traditional painting workshop, celebrating Emirati culture and creativity.

We extend our heartfelt thanks to all speakers, participants, and organizers for making this truly inspiring celebration.

A sincere thank you to our colleagues in the Talent Empowerment and Growth Department and the Al Ain Campus Director's Office for organizing this successful and inspiring gathering. I am always grateful to Dr **Mohammad Fteiha** for his great leadership.

Happy Emirati Women's Day!
