Empowering Global Ambitions: ADU Business Students Embark on Fall 25-26 Semester Exchange to France

As part of Abu Dhabi University's unwavering commitment to advancing global engagement and enriching the academic journey of our students, the Office of Internationalization, in close collaboration with the College of Business, has arranged a strategic student exchange opportunity for the Fall 2526 semester.

We are proud to share that for the first time two outstanding students will represent ADU in France, reinforcing our global presence and contributing to our vision of fostering cross-cultural, interdisciplinary learning environments.

Ms. Mahra Mohamed Almehezezi, an Emirati postgraduate student, will attend **NEOMA Business School** in Rouen. NEOMA ranks among the top seven business schools in France, holds the prestigious Triple Crown accreditation (AACSB, AMBA, EQUIS), and is recognized in the Top 30 in Europe by the Financial Times for its Master in Management program.

Ms. Khadija Alsayedjaafar Almousawi, an Emirati undergraduate student, will spend her exchange semester at **Brest Business School** (BBS), a Grande École accredited by AACSB and EQUIS, and ranked #74 globally in the Financial Times Master in Management list.

These exchanges are not only a reflection of individual student excellence but also a meaningful demonstration of ADU's broader internationalization strategy. They support national higher education goals, strengthen global academic partnerships, and contribute directly to institutional rankings and accreditation benchmarks.

I would like to express my sincere appreciation to **Prof. sherine Farouk** Farouk, our Associate Provost of Academic Projects and Internationalization, for her leadership in leading the students exchange program. My thanks also go to Mr. **Ibrahim Odhabi**, for his dedication and effort in coordinating the program, and to Ms. **Kholla Sikandar**, and the wider College of Business team for their steadfast support in bringing this vision to life.

At **Abu Dhabi University**, we believe that exposure to global academic contexts equips students with the skills, mindset, and confidence to lead in a rapidly changing world. We remain committed to broadening these horizons and providing more students with the opportunity to study, collaborate, and innovate across borders.

To explore partnership opportunities or to learn more about our student exchange programs, please contact the Office of Internationalization at: global@adu.ac.ae
