Faculty Development Day

Having my morning coffee before I head to our Al Ain Campus for our faculty development day. Our Al Ain Campus headed by my esteemed colleague and great leader, Dr **Mohammad Fteiha**, was buzzing this week with so many activities including:

Celebrating Emirati Women's Day
Meeting our newly elected students council
Welcoming new faculty
Visiting classes

Today, we gather our esteemed faculty from all three campuses in Al Ain to run an exciting faculty development day. VC, Dr **Hamad Odhabi**, and Provost, **Professor Barry O'Mahony**, will also be speaking at this event. Of course, it is the weekend in the UAE, but no rest for the wicked
