Fostering Team Spirit at [Abu Dhabi University](#)

Yesterday, I had the pleasure of joining our esteemed Director of Accreditation and Quality Assurance, [Dr. Mohammed Razik Parakandi](#) along with our Vice Chancellor Dr. [Hamad Odhabi](#) and Provost [Professor Barry O'Mahony](#) for a delightful meal of homemade Biryani. This generous gesture, prepared by Dr. Parakandi's wife, served as a heartfelt thank you for our team's hard work in developing the implementation plan for the CAA outcome-based evaluation framework.

While the delicious food was certainly a highlight, the true essence of our gathering lay in the spirit of camaraderie and collaboration it fostered. As I reflect on my role as Chancellor, I am reminded that my legacy at Abu Dhabi University will not be defined by any single achievement but by the supportive culture we cultivate together.

Team spirit is the backbone of our success. It's about building relationships, encouraging one another, and celebrating our collective efforts. By nurturing this environment, we can inspire creativity, enhance productivity, and achieve remarkable outcomes.

Let us continue to support one another, not just through shared meals, but through every task we undertake. Together, we can leave a lasting impact on our university and the lives of our students.
