This morning in Dubai, I had the distinct pleasure of meeting **Dr. Asmaa Nusairi**, the esteemed Director of the Continuing Education Center at the **University of Sharjah**. This center is renowned as one of the finest in the UAE and the broader region, setting a benchmark for excellence in educational offerings.

During our conversation, I gained invaluable insights from Dr. Asmaa regarding the remarkable success of the center and her unwavering passion for continuing education. Her dedication to fostering a culture of lifelong learning is truly inspiring. Dr. Asmaa exemplifies exceptional leadership, and it is always a joy to engage with her.

I am eagerly anticipating her participation in our upcoming education conference in October, where I look forward to gaining further insights from her expertise and vision.
