Abu Dhabi University's College of Engineering (COE): 6 New Academic Programs

ADU's College of Engineering stands as a symbol of academic excellence in the UAE. With its wide variety of programs, esteemed accreditations, and a history of remarkable student accomplishments, the College has established itself as a premier institution for engineering education in the region. It is the largest college within the university, boasting nearly 3,500 students.

We are excited to announce that the College of Engineering is now accepting applications for the Fall Semester of 2025/2026 for the following 6 new innovative and industry-focused academic programs, which have been approved by the [Commission for Academic Accreditation](#):

1. Doctor of Philosophy in Intelligent Systems Engineering (Hybrid-Accelerated track)
2. Doctor of Philosophy in Engineering Management (Hybrid-Accelerated track)
3. BSc in Renewable and Sustainable Engineering
4. BSc in Artificial Intelligence Engineering
5. MSc in Cybersecurity (Hybrid-Accelerated track)
6. MSc in Artificial Intelligence (Hybrid-Accelerated track)

The College has earned prestigious accreditations from leading international bodies, including the Accreditation Board for Engineering and Technology ([ABET](#)) and the [Royal Institute of British Architects \(RIBA\)](#).

Students can complete part of selected programs online and benefit from accelerated postgraduate pathways to fast-track their academic journey.

Under the esteemed leadership of Dean Dr. [Hamdi Mustafa Sheibani](#), the COE is committed to delivering a transformative educational experience that equips students for success in the fast-paced and competitive engineering landscape.

For further inquiries, please contact us at 600-550003 or email admissions@adu.ac.ae.
