Empowering Future Healthcare Leaders: Abu Dhabi University's College of Health Sciences Launches 4 New Academic Programs

Abu Dhabi University's College of Health Sciences stands as a beacon of excellence, nurturing aspiring healthcare professionals and equipping them with the knowledge and skills to make a lasting impact in the field.

I'm happy to share that the College of Health Sciences at [Abu Dhabi University](#) (ADU) is now enrolling students for the Fall Semester of 2025/2026 for the following new programs, approved by the [Commission for Academic Accreditation](#) (CAA):

1. BSc in Clinical Psychology and Mental Health
2. Master of Public Health
3. MSc in Clinical Psychology and Mental Health
4. MSc in Health Leadership

Students can complete part of selected programs online and benefit from accelerated postgraduate pathways, fast-tracking their academic journey.

In addition to these new offerings, the College provides a comprehensive range of programs, including:

- BSc in Public Health
- BSc in Environmental Health and Safety
- BSc in Human Nutrition and Dietetics
- BSc in Molecular and Medical Genetics
- BSc in Laboratory Medicine - Biomedical Sciences

These programs are available at ADU's Abu Dhabi and Al Ain campuses.

The College of Health Sciences holds prestigious accreditation from APHEA (Agency for Public Health Education Accreditation), a leading European body, for its Public Health program.

I extend my gratitude to the Acting Dean, Dr. [Sofyan Maghaydah](#), for his outstanding leadership in delivering a transformative educational experience, preparing students to excel in a dynamic and competitive healthcare landscape.

As Abu Dhabi University continues to drive excellence, the College of Health Sciences remains at the forefront, shaping the next generation of healthcare leaders.

For more information, please contact us at 600-550003 or email us at admissions@adu.ac.ae.
