Exciting News! The College of Business at ADU Reaccredited by AACSB

Congratulations to colleagues, students, and alumni in the College of Business at ADU for being reaccredited by the prestigious **AACSB**!

AACSB, the Association to Advance Collegiate Schools of Business, is the global standard-setting body for business education, strengthening the world's business schools through accreditation, thought leadership, and transformative learning.

This remarkable achievement is a testament to the visionary leadership and great support of our Chairman, Dr. Ali Bin Harmal Aldhaheeri, Ph.D., and Board Members.

Many thanks to the leadership of **Professor Barry O'Mahony** and the hard work and dedication of our faculty, staff, students, and alumni, as well as the great support from our industry and academic partners. Special thanks to **Dr. Mohammed Razik Parakandi**, Director of Accreditation, for his contributions and support. I am also grateful to the AACSB team for their professionalism, hard work, and dedication.

I would like to take this opportunity to acknowledge the great work by our **Ministry of Higher Education and Scientific Research**, the **Commission for Academic Accreditation CAA**, and the **Department of Education And Knowledge - ADEK**, in transforming Education and Higher Education in the UAE, and we are all committed to their visions and state of the art guiding strategies.

Congratulations 🎉🎊🎈 to the College of Business!
