Hosted in partnership with the **Elm və Təhsil Nazirliyi - The Ministry of Science and Education** and **State Agency for Science and Higher Education**, the summit will bring together university leaders, policymakers and researchers from across Europe and Asia to explore how transnational research can drive social and economic progress.

 Take a look at some of the experts joining us in Baku on 24-25 September as we explore how academic discovery can be turned into real-world solutions that address today's most pressing global challenges.
