The 25th International Conference on Next Generation Wired/Wireless Networks and Systems (NEW2AN 2025)

Call for Papers | NEW2AN 2025 at [Abu Dhabi University](#) 🇦🇪

We are excited to announce that Abu Dhabi University will host the **25th International Conference on Next Generation Wired/Wireless Networks and Systems (NEW2AN 2025)** from **November 10–12, 2025 in Abu Dhabi, UAE**.

This prestigious conference brings together global researchers to explore advances in:

Next-generation communication systems (5G/6G)
AI-driven networking
IoT & edge computing
Cybersecurity and intelligent infrastructure

Paper Submission Deadline: August 1, 2025

The conference proceedings will be published in Springer's Lecture Notes in Computer Science (LNCS) series and indexed in major databases including Scopus, DBLP, Ei Compendex, Google Scholar, CrossRef, and SpringerLink, ensuring wide global visibility and accessibility for all accepted papers.

Selected high-quality papers may also be invited to submit extended versions to associated journals.

Submit your research and find full details here:
www.new2an.com

Join us for a fully in-person event in Abu Dhabi — and become part of a global community advancing the frontiers of intelligent and secure communication.

This conference is led by my esteemed colleague Prof [Montasir Qasymeh](#).
