🌍 Welcome to ICASF 2025 – A Global Gathering for a Sustainable Tomorrow 🌍

As the Founder and Advisor of the 3rd International Conference on Advancing Sustainable Futures (ICASF 2025), I am truly delighted to introduce and welcome an outstanding group of 60+ national and global distinguished speakers joining us from leading universities, organizations, policy makers, and institutions. We have received so far over 400 papers from 42 countries.

📅 Dates: December 9–11, 2025 📍 Location: Emirates Palace, Abu Dhabi, UAE 🔗 Learn more: <https://lnkd.in/dfjwd55M>

Hosted by **Abu Dhabi University**—ranked 191st in THE World University Rankings 2025 and 391st in QS World University Rankings 2026—this Scopus-indexed international conference is held under the patronage of H.E. Sheikh Nahayan Mabarak Al Nahayan, Cabinet Member and Minister of Tolerance and Coexistence, UAE, under the theme - Shaping the Future: Synergies Between Nature, Technology and Society.

Organized in collaboration with **IREG Observatory on Academic Ranking and Excellence** and over 58 national and global partners, ICASF 2025 features:

✓ 9 multidisciplinary cutting-edge tracks ✓ 8 high-level panel sessions ✓ 2 Special sessions ✓ Opportunities for 21 Q1/Q2 Scopus-indexed journals and 6 Springer book series conference proceedings publications

🎯 Conference Objectives: • Explore how emerging technologies like AI and digital innovation can address urgent sustainability challenges • Promote synergies between nature, society, and technology for inclusive global growth • Highlight the role of academia in preparing future-ready talent for a human-centered Society 5.0 • Foster bold conversations and partnerships to shape resilient and sustainable futures

I warmly invite you to be part of this prestigious global event—submit your research, engage with thought leaders, and experience firsthand the dynamic innovation ecosystem and renowned hospitality of the lovely city of Abu Dhabi, UAE. This is more than a conference; it's a platform to shape the future.
