A Message of Gratitude

I am truly grateful to many of my **LinkedIn** friends and colleagues who sent me public and private congratulatory messages about being listed among the top 10 LinkedIn Voices in Education Worldwide by **Favikon**. You can find the list of the top 200 voices here:

My contribution to education spans over three decades and includes: serving as a physics teacher at Anout High School (voluntary work during the civil war in Lebanon), Pro Vice Chancellor at **The University of Salford** in the UK, President of the **University of Wollongong in Dubai**, Vice President of **Gulf University for Science and Technology** in Kuwait, President of **Applied Science University Bahrain**, and most importantly, my current position as Chancellor of **Abu Dhabi University**.

From ADU, Dr. **Hamad Odhabi** is ranked 66th and **Dr. Rahaf Ajaj, CSci, SFHEA** is ranked 37th, in addition to my 8th position. Having three educators from ADU listed among the Top 200 LinkedIn Voices in Education Worldwide is a testament to the quality of education we provide for our students.

I am thankful to our Chairman, Dr. Ali Bin Harmal Aldhaferi, Ph.D., for his exceptional leadership, clear vision, and unwavering support in fostering a culture of excellence at ADU. I also extend my gratitude to all my colleagues, students, alumni, and partners at ADU. Additionally, I am grateful to the **Ministry of Higher Education and Scientific Research**, the **Commission for Academic Accreditation** (CAA), the Abu Dhabi **Department of Education And Knowledge - ADEK**, and the **Knowledge & Human Development Authority**

KHDA for their role in transforming education and higher education in the UAE.
