## Abu Dhabi University's College of Health Science): New Academic Program

I am pleased to announce that the College of Health Sciences at **Abu Dhabi University** (ADU) has begun recruiting students for the Fall Semester of 2025/2026 for the following new academic program, approved by the **Commission for Academic Accreditation**:

### Master in Public Health

The College of Health Sciences at Abu Dhabi University offers a comprehensive range of academic programs that cater to various disciplines within the healthcare sector. The College's academic programs include BSc in Public Health, BSc in Environmental Health and Safety, BSc in Human Nutrition and Dietetics, BSc in Molecular and Medical Genetics, and BSc in Laboratory Medicine - Biomedical Sciences. These programs are delivered in our campuses in Abu Dhabi and Al Ain.

These programs are designed to provide students with a solid foundation of theoretical knowledge combined with practical training. The curriculum is constantly updated to align with industry standards and emerging trends, ensuring that graduates are well-prepared to tackle real-world challenges.

The College of Health Sciences at Abu Dhabi University holds prestigious accreditation from a European body APHEA for its program in public health.

Led by the esteemed Dean, Dr **Sofyan Maghaydah**, the College of Health Sciences is committed to providing a transformative educational experience that prepares students to excel in the dynamic and competitive world

As Abu Dhabi University continues to pave the way for excellence, the College of Health Sciences remains at the forefront, empowering the next generation of healthcare leaders.
