Abu Dhabi University's College of Arts, Education, and Social Sciences (CAESS): New Academic Programs

I am pleased to announce that the College of Arts, Education, and Social Sciences at [Abu Dhabi University](#) (ADU) has begun recruiting students for the Fall Semester of 2025/2026 for the following new academic programs, approved by the [Commission for Academic Accreditation](#):

1. BA in International Relations
2. BA in Psychology
3. BA in Video Game Design
4. MA in Digital Communication and Technology
5. PhD in Education

The College of Arts, Education, and Social Sciences stands out as a hub of creativity and intellectual exploration. With a wide array of disciplines and a supportive learning environment, ADU's College of Arts, Education, and Social Sciences offers a unique opportunity for students to delve into the vibrant world of arts and sciences. The College of Arts, Education, and Social Sciences provides undergraduate and postgraduate programs in the media, education, and social sciences fields. These programs include BA in Mass Communication (Arabic and English); Professional Diploma in Teaching (English); and MEd in Educational Leadership.

Abu Dhabi University is located in one of the most culturally diverse cities in the world, and the College of Arts, Education, and Social Sciences reflects this rich cultural tapestry. The College celebrates diversity and encourages students to embrace different perspectives and ideas. It offers a range of cultural events, exhibitions, and guest lectures that provide students with opportunities to engage with global issues and explore the interconnectedness of art, culture, and society.

Led by the esteemed Dean Dr [Sreethi Nair](#), the College of Arts, Education, and Social Sciences is committed to providing a transformative educational experience that prepares students to excel in the dynamic and competitive world of media and education.

As Abu Dhabi University continues to foster a culture of academic excellence, the College of Arts, Education, and Social Sciences remains at the forefront of nurturing the next generation of thinkers, innovators, and leaders.
