Exciting News!

I am pleased to announce that the **Commission for Academic Accreditation** (CAA) has approved two new PhD programs in the College of Engineering, headed by our esteemed Dean, Dr. **Hamdi Mustafa Sheibani**:

- PhD in Intelligent Systems Engineering
- PhD in Engineering Management

With these additions, **Abu Dhabi University** (ADU) now offers five doctoral-level programs, including a Doctor of Business Administration (DBA). This expansion reflects our commitment to addressing research issues in five important areas, aligning with the vision of our Chairman, Dr. Ali Bin Harmal Aldhaheri, Ph.D.

In total, we have received approval for 16 new academic programs from the CAA in the last couple of months. I strongly believe that these programs will produce graduates who meet market demands. The complete list of newly approved programs includes:

1. BA in International Relations
2. BA in Psychology
3. BA in Video Game Design
4. BSc in Renewable and Sustainable Engineering
5. BSc in Artificial Intelligence Engineering
6. MA in Digital Communication and Technology
7. MSc in Financial Technology
8. MSc in Strategic Digital Transformation
9. MSc in Cybersecurity
10. MSc in Artificial Intelligence
11. Master of Law in Cyberlaw and Artificial Intelligence
12. Master of Public Health
13. PhD in Law
14. PhD in Education
15. PhD in Intelligent Systems Engineering
16. PhD in Engineering Management
