Exciting News: New Master Program Approved!

I am happy to announce that the **Commission for Academic Accreditation** (CAA) in the UAE 🇦🇪 has approved a new Master of Education in Educational Technologies and Artificial Intelligence. This brings the total number of new academic programs approved by the CAA to 17 in the last few months, responding to market demands.

Many congratulations 🎉 to our Dean, Dr. **Sreethi Nair** as well as to all our colleagues in the College of Arts, Education, and Social Sciences. A special thanks to VC, Dr **Hamad Odhabi** and **Dr. Mohammed Razik Parakandi** Director of Accreditation, for their help in developing this exciting program.
