Interview with The Business Year

Dear colleagues,

I am pleased to share a link to an interview I did for **The Business Year**. Many thanks to our colleagues from The Business Year namely **Yasmine El yacoubi**, **Isabel Renedo**, and **Mariangeles Cebriá**, for giving me the opportunity to participate. In this interview, I share insights on how **Abu Dhabi University** (ADU) is equipping students for success in an AI-driven and interconnected world. I also discuss how the university promotes a diverse and inclusive learning environment and highlight ADU's achievements in international rankings.

My colleague, **Noor Al Masri**, who leads marketing and communication at the university, was also present during this interview.
