7th Women in Engineering Forum 2025

Please join us for the 7th Women in Engineering Forum 2025 under the theme "Empowering Women Engineers: Navigating Challenges and Leading Sustainable Innovations in the AI Era". The forum is chaired by my esteemed colleague Dr **Reem Sabouni, PEng, PhD, M.ASCE**.

This year's Forum celebrates the incredible contributions of women engineers while addressing key challenges in our rapidly evolving world. Join distinguished speakers as they share insights on AI, sustainability, and bridging the gender gap in engineering.

Date: 6 May 2025

Time: 9 AM - 5 PM (UAE Timing)

📍 Location: Abu Dhabi University Auditorium (Hybrid format available)
