Conferences at [Abu Dhabi University](#) (ADU)

I am delighted with the number and quality of conferences hosted by ADU from October 1, 2024, to May 1, 2025. These events brought together experts, researchers, and attendees from around the world to discuss important topics in education, sustainability, technology, and more.

- Women Refugee and Child Health in AI Changing Climate Conference, Oct 1, 2024, 150+ attended.
- The International Conference on Education, Innovations in Teaching & Learning: Pioneering Education's Future (ADU_ICEDU2024), October 2–3, 2024. 142 papers were presented, and 200 attendees from more than 25 countries participated.
- The First Women in Artificial Intelligence Forum, November 1, 2025. Estimated attendance: 90+
- 2nd International Conference on Advancing Sustainable Futures (ICASF 2024), December 11–12, 2024. 330 papers were presented, with an attendance of 700+.
- 2024 International Conference on Engineering and Emerging Technologies (ICEET 2024), December 27–28, 2024. 146 papers were accepted, and attendance was around 160.
- Sustainability in Action took place on February 13, 2025. Attendance was about 40.
- UI Green Metric - The 1st International Sustainability Leaders Meeting occurred on Feb 26, 2025. Attendance exceeded 200.
- 2nd Edition of the International Conference on Environmental Design, Material Science, and Engineering Technologies (EDMSET 2025), April 22–24, 2025.
- 3rd International Scientific Media Conference: New Horizons in Digital Content Creation and Data Analysis took place on April 24, 2025, led by Liwa University. 25 papers were presented in the English section (organized by ADU), and attendance was 40+.

Conferences scheduled until the end of this year include:

- 7th Women in Engineering Forum on May 6, 2025.
- 2nd International Conference on Global Sustainable Development (ICGSD 2025) will take place on May 23–24, 2025. Number of papers: 65+
- 12th Undergraduate Research and Innovation Competition is on May 29, 2025. Number of papers: 600, with expected attendance of 1000+
- The International Conference on Bridging Horizons: Multidisciplinary Innovations "Education, Business, Communication, and Social Sciences (ICBH2025) to be held on June 28–29, 2025.
- The 2nd International Conference on Education: Advancing Teaching Practices through AI (ADU_ICEDU_2025) will take place on Oct 1–2, 2025.
- 25th Edition of the International Conference on Next Generation Wired/Wireless Networking (NEW2AN 2025) will be held on November 7–9, 2025.
- 3rd International Conference on Advancing Sustainable Futures (ICASF 2025) is planned for December 9–11, 2025.
- 2025 International Conference on Engineering and Emerging Technologies (ICEET 2025) is on December 22–23, 2025.

Many thanks to prof [Montasir Qasymeh](#) and [Prof.sherine Farouk](#) and their teams for the outstanding work.
