ADU Achievements in the Last Three Months in a Video

We invite you to explore the innovative work of our Vice Chancellor for AI and Operational Excellence, Dr. [Hamad Odhabi](#). He has creatively documented our recent achievements at Abu Dhabi University (ADU) through a podcast that utilizes advanced AI tools. This initiative highlights our commitment to creativity and innovation, which are two of the main drivers at ADU.

In the last three months, ADU has made significant strides in various areas, including university rankings, academic excellence, research advancements, strategic partnerships, and student success. These achievements underscore ADU's dedication to continuous improvement and innovation in higher education. We are proud of the collaborative efforts of our leadership and the entire ADU community in making these accomplishments possible.
