## Celebrating Inclusivity: A Memorable Event for Students of Determination

Yesterday, our Student Affairs Department, in collaboration with the Student Tolerance Club and the Aid Club, organized a special event dedicated to students of determination and their parents. This event was made possible through partnerships with associations that support individuals with determination. At ADU, we are fully committed to empowering students of determination and providing them with the support they need to thrive.

The event culminated in a heartwarming Iftar shared with all attendees, creating a sense of community and belonging. A special thank you to my esteemed colleagues, Ms. [Roula Qasem](#) and Ms. [Soha Abu Moussa](#), as well as our wonderful students, for their hard work and dedication in organizing such a successful event. We were honored to have our distinguished alumnus, Mr. Saeed, as the Master of Ceremony.
