Exciting News: ADU in the top 60 universities in the THE Young University Rankings 2024

I am delighted to share the exciting news that Abu Dhabi University has reached an impressive milestone. In the recently published THE Young University Rankings 2024, our university has achieved a remarkable 60th position worldwide among universities that are 50 years old or younger. Additionally, we are proud to be ranked 3rd in both the UAE and the Arab World. This accomplishment serves as evidence of our unwavering commitment over the last two decades, as we strive to excel on the international platform. We sincerely appreciate your support and involvement in our journey.

This success can be attributed to the outstanding vision of our Chairman, Dr Ali Aldhaheri, and the dedicated efforts of our board members, colleagues, students, alumni, partners, and other stakeholders.

We express our gratitude to the Times Higher Education (THE) for their exceptional leadership and transformative contributions on a global scale.

"Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do." —Pelé
