I am pleased and honored to share that I have been invited to join the Advisory Council of the Association of Indian Principals (AIP). The appointment letter which was signed by HE **Dalip Sharma**, Executive Chairman of AIP, was presented to me today by the Chief Marketing Officer of AIP, **Devaki Sahasrabudhe**, at our Dubai campus, in the presence of Dr. **Anas Najdawi**, our Dubai Campus Director.

The Association of Indian Principals is a non-profit organization committed to empowering educational leaders, fostering the exchange of knowledge, and nurturing leadership within the education sector.

I am eagerly anticipating engaging in productive collaborations with the Association of Indian Principals, contributing to their initiatives and working towards the advancement of education.
