End of Year Message

I am sharing with my LinkedIn friends and colleagues an end of year message I sent to the ADU community.

Dear Students, Faculty, Staff, Alumni, and Academic and Industrial Partners

As we approach the end of another remarkable year at Abu Dhabi University, I want to take a moment to reflect on our collective achievements and the strides we have made together.

This year has been a testament to our commitment to excellence in education, research, and community engagement. We welcomed an impressive cohort of new students, each bringing unique perspectives and talents that enrich our diverse university community. Our faculty members have continued to inspire and innovate, contributing to cutting-edge research that addresses both local and global challenges.

In 2024, Abu Dhabi University (ADU) has made significant strides in various areas, showcasing its commitment to excellence. The summary highlights some of our achievements, reflecting our progress and dedication to enhancing the academic landscape, especially in the areas of international rankings, international professional accreditations, teaching, research, internationalization and community engagement. (You can find full summary of achievements on my personal page under the presentations heading because of the limit of characters on LinkedIn):

<https://lnkd.in/g5fnyWVw>

These remarkable achievements are a testament to the visionary leadership and great support of our Chairman, Dr. Ali Bin Harmal Aldhaferi, Ph.D., and Board Members, as well as the tireless efforts and dedication of our faculty, staff, students, alumni, and academic and industry partners.

I would like to take this opportunity to acknowledge the great work by our **Ministry of Higher Education and Scientific Research**, the **Commission for Academic Accreditation CAA**, the **Department of Education And Knowledge - ADEK** and the KHDA in transforming Education and Higher Education in the UAE, and we are all committed to their visions and state of the art guiding strategies.

As we look forward to the new year, let us carry the momentum of our achievements and continue to strive for excellence. I am confident that with our shared vision and dedication, we will reach even greater heights.

Thank you for your hard work, passion, and commitment to making Abu Dhabi University a beacon of knowledge and innovation.

Wishing you all a joyful and prosperous new year!

Warm regards,

Ghassan Aouad

Chancellor, Abu Dhabi University
