Seven New Academic Program at Abu Dhabi University

I am pleased to announce that, in the last few weeks, we have had seven new academic programs approved by the **Commission for Academic Accreditation** (CAA) in the UAE. These programs are strategic for the University and align with significant needs in the **#UAE** and beyond. Many thanks to the Deans and all colleagues who worked hard on these programs, as well as to Dr. **Mohammed Razik Parakandi**, Director of Accreditation. We will soon announce the launch dates for these programs. Many of these programs will be offered in our Abu Dhabi, Al Ain, and Dubai campuses.

The new academic programs approved by the CAA are:

1. BA in International Relations
2. BSc in Artificial Intelligence
3. MSc in Cybersecurity
4. MSc in Artificial Intelligence
5. MSc in Financial Technology (FinTech)
6. MSc in Strategic Digital Transformation
7. PhD in Law

This remarkable achievement is a testament to the visionary leadership of our Chairman, Dr. Ali Bin Harmal Aldhaheri, Ph.D., as well as the tireless efforts and dedication of our faculty, staff, and industry partners.

I would like to take this opportunity to acknowledge the great work of our **Ministry of Higher Education and Scientific Research**, as well as the CAA, in transforming higher education in the UAE. We are all committed to their vision and state-of-the-art guiding strategies.

Stay tuned for more new academic programs to be offered, as we are on a mission to develop offerings that respond to the needs of the marketplace in the UAE and beyond.
