MOU Signing with Liwa College

During the 2nd International Conference on Advancing Sustainable Futures (ICASF 2024), Abu Dhabi University and Liwa College (our sister organization) signed an MOU unveiling the ADU-Liwa Global Collaborative Research and Innovation Program! This initiative will facilitate joint research between ADU and LC faculty, aiming to address UAE national priorities through impactful global collaborations. It is driven by the vision of our Chairman, H.E. Dr. Ali Bin Harmal Aldhaheri, Ph.D., who chairs the boards of both institutions.

I extend my heartfelt thanks to **Prof. Mohamed Dhiaf** President of Liwa College; Prof. **Hany EL KADI**, Vice President for Academic Affairs; and Dr. Mahmoud Al Mestarihi, the head of the research unit at Liwa College. I also thank my colleagues at ADU: Provost **Professor Barry O'Mahony**, Vice Chancellor Dr. **Hamad Odhabi**, and Associate Provost for Research and Innovation Prof **Montasir Qasymeh**. Together, ADU and LC are shaping the future of research and innovation!
