Liwa Schools Board of Trustees

Today, I attended as a member, the Board of Trustees of Liwa Schools, chaired by Dr. Ali Bin Harmal Aldhaheri, Ph.D. We had a very interesting board meeting where we listened to all the school principals and parent representatives discussing the progress they are making and the exciting initiatives they are undertaking. Liwa Schools and nurseries across Al Ain and Abu Dhabi offer an American curriculum that combines the essence of Emirati values with a rich set of core competencies, producing confident, resilient, and courageous young leaders.
