Dr. Mohammad Fteiha: Exceptional Leadership

I have worked with Dr. **Mohammad Fteiha**, our Al Ain Campus Director for nearly 2 years. He is a true role model and an inspiring leader.

Dr. Mohammad Fteiha is the Director of our state-of-the-art Al Ain campus and Director of the Centre for Faculty Development and Learning Innovation (previously the Smart Learning Centre). Dr. Fteiha is a leader of exceptional quality and a real pleasure to work with. I have always admired his loyalty and decency. He is adored by his students and commands the highest respect in our community. The Al Ain campus has gone from strength to strength under his leadership. Dr. Fteiha joined Abu Dhabi University in 2012.

Dr. Fteiha earned an MA in Speech and Language Pathology and Communication Disorders from Jordan University and a PhD in Special Education from Amman Arab University for Graduate Studies, Jordan. He also holds the Harvard Bok Higher Education Teaching Certificate.
