The Proudest Moment of My Academic Career:

THE Awards Arab World 2024

Winning two awards at the THE Awards Arab World 2024, especially the Leadership and Management Team of the Year Award, has been the proudest moment of my academic career. Recognition feels different from rankings and other achievements.

When **Phil Baty**, Chief Global Affairs Officer at THE, announced that we had won the Leadership and Management Team of the Year Award, I felt my heart race as I realized the pride and happiness of the moment. To be honest, I felt tears in my eyes as a sign of extreme joy.

I am grateful to the **Times Higher Education** (THE) for their leadership and innovation, to the star presenters **Nick Davis** and **Wanda Lee Banks**, to **University of Dubai** for hosting the event, and to our visionary Chairman, Dr Ali Bin Harmal Aldhaheri, Ph.D., who has created a culture of excellence at ADU. I also want to acknowledge the tireless efforts and dedication of our faculty, staff, students, alumni, and academic and industry partners.

Certificates signed by **Phil Baty** for both awards are attached.

Congratulations 🎉 ADU
