Receiving Dr. Ashwin Fernandes's Book: MODIALOGUE

Yesterday, I had the pleasure of receiving Dr. Ashwin Fernandes's book, MODIALOGUE. This remarkable work delves into the transformative leadership of Indian Prime Minister Narendra Modi. Dr. **Ashwin Fernandes**, QS Executive Director for the Middle East, Africa, and South Asia, eloquently illustrates how strong and visionary leadership can transform a nation socially, politically, and economically.

If you are curious about the power of dialogue and the impact of effective leadership, I highly recommend adding *MODIALOGUE* to your reading list.

Dr. Ashwin participated yesterday in one of our panels at the 2nd International Conference on Advancing Sustainable Futures (ICASF 2024), discussing the impact of university rankings on strategies and practices. Dr Ashwin is an inspirational leader, and his knowledge of our region's culture and educational needs is exceptional.
