Certificate Awarded to Shoukat Hussain: The Joy of Accomplishment

I can't describe the joy of my colleague, **Shoukat Hussain**, when he received a certificate from his division recognizing his commitment and hard work. I spend a lot of time with Shoukat as he drives me between campuses and to various business meetings. We talk about everything, especially the new house he is building back home and the pride he feels in his kids as they do well in school. It is a pleasure to work with Shoukat, as he is a professional of the highest quality.
