Welcoming an amazing group of students to Abu Dhabi University: ISAP2024 Begins!

Today, we proudly launched the International Study Abroad Program (ISAP2024), welcoming 45 students from 18 nationalities to Abu Dhabi University. This diverse cohort, hailing from countries such as India, China, Russia, Jordan, Germany, Uzbekistan, Indonesia, Pakistan, Lithuania, and the USA, embodying the spirit of global collaboration and cross-cultural exchange that ADU champions. Over the course of the program, these students will not only experience our academic excellence but also immerse themselves in the vibrant heritage and innovation of the UAE.

This milestone would not have been possible without the dedication of the ISAP2024 team. Under the guidance of **Prof. Sherine Farouk**, and with the invaluable efforts of Mr. **Ibrahim Odhabi** (Chair of the Program), Mr. **Suhail Asghar**, Ms. **Nadeen Qazah**, and Mr. Abdel Rahman Dabash, the program has been meticulously designed to provide a transformative experience.

To our participants, I encourage you to embrace this unique journey, build meaningful connections, and create lasting memories. Welcome to Abu Dhabi University—we are thrilled to have you here!
