Yesterday, my colleagues from the senior leadership team and **NEMA Holding**, our holding company, surprised me with a wonderful party to celebrate my second work anniversary at **Abu Dhabi University** (ADU). I feel incredibly fortunate to be surrounded by such an exceptional group of individuals.

Having a dream team like this makes every day at work not just productive, but genuinely enjoyable. Each member brings unique strengths and perspectives, fostering an environment where collaboration thrives. The support and kindness I've received from everyone—especially Dr. **Hamad Odhabi**, **Professor Barry O'Mahony**, **Khulud Abdallah**, **Ivy De Jesus**, Salam, and **Shoukat Hussain**—have made my journey here truly remarkable. It's an absolute pleasure to work alongside all of you.

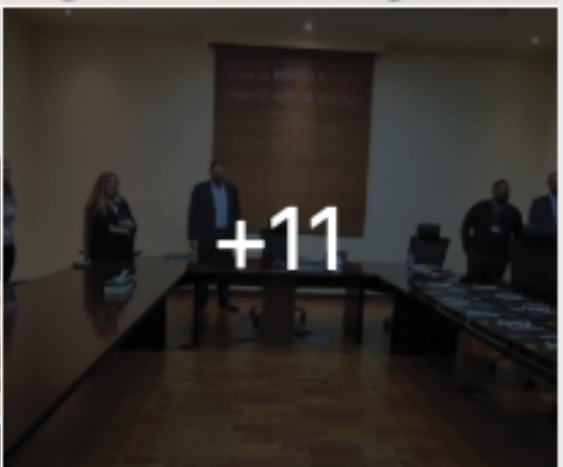

I would also like to extend my heartfelt thanks to our Talent Empowerment and Growth Department for the lovely electronic card. A special shoutout to Allison Hope Hamilton MHRM, SHRM-SCP. for coordinating that—it truly made my day. In addition, I received a motivational message from our visionary Chairman, Dr Ali Bin Harmal Aldhaheri, Ph.D.

Together, we are more than just colleagues; we are a community that inspires each other to grow and succeed. Here's to many more years of achieving great things together!

Thank you 🙏 **Khulud Abdallah** for organizing this party, much appreciated.
