Fostering Global Connections: Abu Dhabi University Welcomes HKU Business School

Yesterday, we had the privilege of hosting a distinguished delegation from HKU Business School (University of Hong Kong) at Abu Dhabi University. Organized by Abu Dhabi University's Office of Internationalization, the visit was led by Mr. Adrian Chan, Executive Director of Executive Education, and Ms. **Ivy Lam**, Assistant Director of Executive Education, which included insightful discussions about potential collaborations that could shape the future of education and executive development.

The exchange highlighted exciting opportunities, including joint programs, executive education initiatives, and global learning modules that bridge the Middle East and Asia. Both institutions share a commitment to innovation, global engagement, and empowering future leaders.

We are thrilled to explore these avenues of collaboration and strengthen ties with one of the world's leading business schools. A heartfelt thank you to our colleagues at HKU Business School for their visit and for envisioning a future of shared knowledge and impact.

The meeting was attended by several colleagues from the University including **Professor Barry O'Mahony**, Provost of Abu Dhabi University, and **Prof. Sherine Farouk**, Associate Provost for Internationalization, Dr **Gary Williams** and **Dr. Kiran Nair**, Associate Professors in the College of Business, and Mr. **Ibrahim Odhabi**, Project Developer, and others

Together, we continue to create opportunities that transcend borders and foster a culture of excellence.
