Professor Haitham Nobanee: Research Leadership in Finance

Professor **Haitham Nobanee** Ph.D., is a distinguished Professor of Finance at Abu Dhabi University's College of Business. He integrates academic rigor with practical applications to prepare future leaders for success. Professor Nobanee also serves as an Honorary Professor at the **University of Liverpool** and as a Visiting Research Professor at the **University of Oxford**. He earned his Ph.D. from the **The University of Manchester** and has been recognized among the "World Ranking of Top 2% Researchers" by **Stanford University**.

Professor Nobanee's research spans a wide array of fields, including digital finance, fintech, sustainability, anti-financial crime, and risk management. His impactful contributions have been published in top-tier journals such as Energy Economics, Renewable & Sustainable Energy Reviews, and Harvard Business Review.

He is an active academic leader, serving as the Editor of the Arab Gulf Journal of Scientific Research and as Associate Editor for esteemed journals such as the International Review of Financial Analysis. With over 6,750 citations on Google Scholar, an H-index of 40, and more than 130 Scopus-indexed publications with an H-index of 24, Professor Nobanee is a prolific researcher in his field.

Professor Nobanee has also received numerous awards, including the Abdul Hameed Shoman Award for Arab Researchers. His dedication to advancing finance and sustainability makes him a respected figure in both academia and industry.
