## Celebrating International Day of Education

On the happy occasion of the International Day of Education, I would like to take a moment to recognize and celebrate the invaluable contributions of educators around the world.

To all educators across the globe, I extend my heartfelt wishes for success and happiness. Your dedication, passion, and unwavering commitment to nurturing the minds of future generations are truly commendable.

In particular, I would like to honor the educators at Abu Dhabi University (ADU) and our sister institution, Liwa College. Your hard work and determination to provide quality education have not gone unnoticed.

A special acknowledgment goes to Dr. Ali Bin Harmal Aldhaheri, Ph.D., our visionary Chairman of Abu Dhabi University and Liwa College. Dr. Aldhaheri has exemplified what it means to be a top educator and leader in the field. Under his guidance, both institutions have flourished, becoming beacons of learning and development in the region.

Education is indeed a noble profession. It is the bedrock upon which societies are built and a catalyst for change. As educators, it is our duty to support our students and provide them with the best learning experiences possible. This involves not only imparting knowledge but also fostering critical thinking, creativity, and emotional intelligence.

As we celebrate the International Day of Education, let us reaffirm our commitment to supporting educators everywhere. Together, we can build a brighter future for all through the power of education.

I would like to take this opportunity to acknowledge the great work by our [Ministry of Higher Education and Scientific Research](#), the [Commission for Academic Accreditation \(CAA\)](#), [Department of Education And Knowledge - ADEK](#) and the [Knowledge & Human Development Authority](#) in transforming Education and Higher Education in the UAE 🇦🇪, and we are all committed to their visions and state of the art guiding strategies.

Here's to the educators at Abu Dhabi University, Liwa College, and around the world—may you continue to inspire, empower, and change lives through the gift of education.

"Our place in the future will be determined by education, our status among nations will be shaped by education, and reaping the rewards of development and progress will be made possibly solely by education."

-His Highness Sheikh Mohamed bin Zayed Al Nahyan, President of the UAE 🇦🇪
