Meeting with Advance HE

On Monday, we had the pleasure of holding an online meeting with **Fiona Lennoxsmith**, Lead Consultant for Leadership, Organisational Development, and Research at **Advance HE** to discuss opportunities for collaboration. My ADU colleagues Dr **Mohammad Fteiha** and Ms **Khulud Abdallah** took part in this meeting as well.

ADU takes pride in the achievements of its faculty, many of whom are recognized by the prestigious Advance HE. With a total of 75 ADU Fellows, Senior Fellows, and Principal Fellows, this marks another testament to ADU's excellence in teaching and professional recognition and leadership. Advance HE is a UK-based, member-led, sector-owned charity that partners with higher education institutions around the world to improve higher education for staff, students, and society.
