Exciting Announcement: Change of Title for Vice Chancellor Dr. Hamad Odhabi

I am happy to announce that the Board of Directors at **Abu Dhabi University** has approved the change of title for our esteemed Vice Chancellor, Dr. **Hamad Odhabi**, from "VC for Financial and Administrative Affairs" to "VC for AI and Operational Excellence." This new title reflects the significant role of artificial intelligence in today's world and recognizes Dr. Odhabi's outstanding contributions to the field.

AI is transforming organizations worldwide, and ADU is no exception. We are committed to being at the forefront of this evolution. By adopting a title that emphasizes AI, we signal our dedication to innovation and our readiness to embrace the future, especially in supporting our students and other stakeholders.

Dr. Hamad Odhabi is a leading figure in AI, with a wealth of knowledge and experience that has significantly advanced our institution's initiatives. This title change acknowledges his expertise and leadership, reinforcing our mission to leverage AI for educational and operational improvements.

The new title, "VC for AI and Operational Excellence," highlights Dr. Odhabi's dual focus on harnessing AI to enhance efficiency and effectiveness within our institution, as well as to support operational excellence, including financial and administrative affairs. This focus will be instrumental in streamlining processes and improving decision-making.

Under Dr. Odhabi's leadership, our institution has made substantial investments in AI education, reaching out to diverse communities and providing essential resources and training. This title change further emphasizes our commitment to educating and empowering individuals globally in the field of AI.

The change of title for Vice Chancellor Hamad Odhabi to "VC for AI and Operational Excellence" is a strategic and timely decision that underscores the importance of AI in our institution's future. It recognizes Dr. Odhabi's exceptional contributions and positions us as a proactive leader in the global AI revolution. We look forward to continuing our journey under his visionary leadership.
