Mr. Ibrahim Charles Louka: A Leader in Finance

I have had the pleasure of working with Mr. **Ibrahim Louka CMA, MBA**, our Director of Finance, for nearly two years. Mr. Ibrahim is an exceptional leader, demonstrating remarkable qualities that inspire those around him. His approachable attitude and commitment to excellence make collaboration not only productive but also enjoyable.

Mr. Ibrahim holds an MBA from **The University of Manchester** in the UK, as well as a BA in Accounting and Finance from the **Lebanese University**. Additionally, he is a Certified Management Accountant, credentialed by the **Institute of Management Accountants (IMA)** in the USA. This strong educational foundation equips him with the analytical skills and strategic insight necessary for effective financial management.

Before joining Abu Dhabi University (ADU), Mr. Ibrahim served for over five years as Finance Manager at **Knowledge Group Consulting**, a sister company of ADU. His extensive experience in the finance sector includes significant roles such as Group Financial Controller in the oil and gas industry in Dubai, Financial Consultant for Insights Management Consultancy in Abu Dhabi, Corporate Financial Controller for Nokia in Saudi Arabia, and Senior Financial Accountant for L'Oréal Lebanon, an affiliate of L'Oréal Paris.

Mr. Ibrahim's diverse experiences have not only enhanced his financial knowledge but also fostered a comprehensive understanding of various industries. His ability to navigate complex financial landscapes and drive strategic initiatives has proven invaluable to our University.
