Hard Work Pays Off: The Leadership of Dr **Mohammed Razik Parakandi**

I am profoundly grateful for the exceptional leadership of my colleague, Dr. Mohammed Parakandi.

Dr. Mohammed is the Director of Accreditation at ADU. He is responsible for leading all national and international accreditation activities for ADU and all quality related initiatives. In the last few months, and in close collaboration with our five colleges, he has been an integral part of the teams that achieved reaccreditation by EQUIS and RIBA, secured approval for nine new programs from the Commission for Academic Accreditation, and reaccredited ten existing programs.

Dr. Mohammed possesses outstanding leadership qualities and is genuinely a pleasure to work with. He is highly regarded within our community, earning the utmost respect from his peers.

Dr. Mohammed received his PhD in Management from Kannur University, India, and holds an MBA, an MSc in Psychology, and a Master of Commerce. He is also a Principal Fellow of **Advance HE**.
