My First Visit to Almaty, Kazakhstan

This is my first visit to Kazakhstan, and I was really impressed by the warmth and generosity of its people. The country is rich in culture and strong traditions, located in Central Asia. It is known for its vast landscapes, rich heritage, and diverse history. I stayed in Almaty for a few days during the QS Higher Ed Pre-Summit 2024.

About 20 million people live in Kazakhstan, which is home to many ethnic groups, including Kazakhs, Russians, Uzbeks, and others. Kazakhstan is the ninth largest country in the world, covering around 2.7 million square kilometers.

Astana is the capital of Kazakhstan. However, Almaty is the largest city and it is the cultural and economic center of the country. The city is surrounded by beautiful mountains, green spaces, and cultural sites.

My visit to Almaty offered me a wonderful insight into the beauty and rich culture of Kazakhstan. I was captivated by the city's charm and the welcoming nature of its people.
