More Good News for ADU: ADU's MBA Joins the Top 200 in the World

We are thrilled to announce that our College of Business's Master of Business Administration (MBA) has been ranked 8th in the Middle East & Africa and placed among the top 151-200 globally in the prestigious QS Global MBA Rankings 2025. This achievement reflects our commitment to providing high-quality, competitive programs that empower students for success in today's dynamic job market.

I would like to congratulate the Dean **Professor Barry O'Mahony** as well as all faculty and staff in the College of Business, which has double accreditation from AACSB and EQUIS. Only 1% of business schools across the globe have double accreditation.
