The Joy of Being Ranked 12th in the QS Arab Region University Rankings 2025

Abu Dhabi University (ADU) has advanced 11 places in the Quacquarelli Symonds (QS) Arab Region University Rankings 2025, now ranking 12th regionally out of 246 institutions across 20 Arab countries. This achievement has just sunk in. This prestigious ranking not only highlights the university's commitment to academic excellence and research but also brings immense pride to its board of directors, students, alumni, faculty, staff, and collaborators.

The announcement of ADU's ranking is more than just a number; it represents years of dedication, hard work, and a collective effort to foster an environment of learning and innovation.

Now that the joy of this achievement has settled in, the focus shifts to the future. ADU aims to build on this success by continuing to enhance its academic programs, investing in research initiatives, and fostering a vibrant campus community.

I am grateful to our Chairman, Dr. Ali Bin Harmal Aldhaheri, Ph.D. for his vision and the significant investments he is making in the university's future. Without his support and dedication, this achievement wouldn't have been possible. I also extend my gratitude to the QS for their leadership and support.

This accolade serves as a reminder of the university's commitment to excellence and its role in shaping the future of education in the region and beyond.

I have included some pictures from the QS Arab Forum 2024 and the gala dinner, where **Jason Newman**, Chief Commercial Officer at QS, delivered an inspirational speech about the history of QS, its vision, and awarded the universities in attendance certificates for their rankings in the QS Arab Region University Rankings 2025.
