International Conference on Advancing Sustainable Futures (ICASF2024).

I am delighted to be speaking at the 2nd International Conference on Advancing Sustainable Futures (ICASF 2024) under the theme 'Innovation and Digital Transformation for Sustainable Futures,' hosted by Abu Dhabi University, which is ranked in the Top 200 globally according to the THE World University Rankings 2025. I will participate in the session titled: Building Sustainable Futures in the Digital Era: The Synergistic Role of Universities and Industry in Fostering Employability and Workforce Readiness.

The conference is held under the patronage of:  
H.E. Sheikh Nahayan Mubarak Al Nahayan  
Cabinet Member, Minister of Tolerance and Coexistence, United Arab Emirates

Date: December 11-12

Location: Abu Dhabi, United Arab Emirates

The conference will feature over 60 distinguished speakers, including renowned experts, government leaders, industry specialists, and policymakers from around the globe. They will delve into the intersection of AI, innovation, and sustainability, discussing how higher education, governments, businesses, and societies can collaborate to achieve the UN's 17 Sustainable Development Goals (SDGs). A total of 580 papers from over 90 countries will be presented during the conference. Participants will exchange knowledge, present research findings, and have the opportunity for publication in 14 Q1 and Q2 Scopus-indexed journals, as well as in 3 Scopus-indexed Springer book series.

Join me for this unmissable event in the beautiful city of Abu Dhabi!
