### Signing an MOU with the Royal University for Women, Bahrain

Today, ADU had the pleasure of signing an MOU with the Royal University for Women (RUW) in Bahrain, headed by President **Dr. Riyadh Hamzah**. Professor Hamzah is a former President of the University of Bahrain and a former Secretary General of the Higher Education Council. It is truly rewarding to see collaboration between a university in the UAE (ADU) and one in Bahrain (RUW). This MOU encompasses research collaboration, joint conferences, and other opportunities. I look forward to a fruitful partnership and to working with an inspirational leader like Professor Hamzah.

The Royal University for Women (RUW) is the first private, purpose-built international university in the Kingdom of Bahrain, dedicated solely to educating women.
