Conclusion of the International Conference on Education: Pioneering the Future of Education, Launching Two Journals and a Research Center

Yesterday, we concluded the very successful International Conference on Education: Pioneering Education's Future, held under the patronage of His Excellency Sheikh Nahyan bin Mubarak Al Nahyan, Minister of Tolerance and Coexistence, and chaired by my esteemed colleague Dr. **Mohammad Fteiha**, the inspirational Director of our Al Ain Campus, at ADNEC in Al Ain, UAE.

I am grateful to our sponsor (The Department of Culture and Tourism in Abu Dhabi), keynote speakers, presenters, panelists, volunteering students, and the scientific and organizing committees. I am pleased to announce that during the conference, we launched the Abu Dhabi University Center for Research in Pedagogical and Educational Innovation and Transformation (co-directed by Dr. Mohammad Fteiha and Dr. Daniela Coelho) and the ADU Journal of Innovative Pedagogy and Educational Transformation (co-edited by Dr. Mohammad Fteiha and Dr. Daniela Coelho). Additionally, we announced the launch of the Crossroads of Social Inquiry Journal, with my colleague Dr. **Constantine Andoniou** as Editor-in-Chief.

This conference will be held annually under the leadership of Dr. Mohammad Fteiha. We look forward to your participation next year.
