Last week, Dr. **Ashwin Fernandes**, the QS Executive Director for the Middle East, Africa, and South Asia, visited ADU and delivered an inspirational lecture to the senior teams at ADU and Liwa College about the importance of rankings and the various methodologies used by the QS. The lecture was very well received by our colleagues, whose development is our top priority.

In addition, I am pleased to inform you that I will be speaking at the QS Arab Forum 2024 (hosted by Applied Science Private University) on October 16-17 in Amman, Jordan, and I am grateful for the kind invitation from Dr. **Ashwin Fernandes**
