### Successful Alumni Reunion: Together Again and Stronger Than Ever!

Yesterday, our Employability and Alumni Relations department, headed by Dr. **Nada Heggy, M.Ed., Ph.D** organized a very successful alumni reunion for the College of Business. Over 300 alumni, faculty, staff, and invited guests attended this event.

The event's slogan, "Together Again and Stronger Than Ever!", truly resonated—it reflects the strength of the ADU community and the powerful bonds that unite us as ADUers.

A special appreciation goes to a panel of our alumni, moderated by **Rauda Al Dhaheri, MBA** which included **Dr. Nader Bin Taher, Ibrahim Al Kuwaiti DBA, hamad ahababi** and **Dr. Awadh Mohamed Alkarbi** who spoke about their perspectives and experiences.

Many thanks for the great support from our senior leadership team, especially Dr. **Hamad Odhabi, Professor Barry O'Mahony, Dr. Shakib Farhat**, our volunteering students, and our MC.

In conclusion, the Alumni Reunion was a truly memorable night that brought together the university's College of Business alumni community to celebrate their shared experiences, achievements, and the enduring bond they share with their alma mater. As aptly stated by N. R. Narayana Murthy, "Nobody is bothered about an institution more than its alumni," and this sentiment was clearly reflected in the enthusiastic participation and genuine pride exhibited by the attendees.
