## Faculty Development Day

An inspirational keynote address by Prof. **Rana Tamim** of **edubridges** on rethinking assessment in higher education was delivered at the spring professional faculty development day, attended by faculty from ADU and **Liwa College**. It was fascinating to listen to Prof. Rana, who provided valuable insights into historical technological developments and how AI can influence student assessment in the future.

Many thanks to Dr. **Mohammad Fteiha** for the excellent work, and to the 170+ attendees at this fantastic development day taking place at our Al Ain Campus. Special thanks are also due to our wonderful MC, **Fatma Al Kaabi**

**Hamad Odhabi Professor Barry O'Mahony Khulud Abdallah Abu Dhabi University**
